

## Foster Evaluation Of Rescue Record: YYXX

At Wonderland Samoyed Safe Haven our mission is to rescue, rehabilitate, and provide a safe haven and home for Samoyeds in need. We pride ourselves on both understanding our dogs and researching their prospective homes to create the best match possible.

To do this, we need your help. Please fill out the following information as honestly and completely as possible, to ensure we understand your foster dog's behavioral

tendencies. This will allow us to find the best match possible for their forever home. If possible, all family members should be present when completing this evaluation form. Everyone's experience and opinion is valuable. Please note that although some things may be said in a playful way, this document will become part of the dog's permanent file. We appreciate your time and effort in completing this evaluation form.
